⚙ My Portfolio

SUMMARY

My name is Shubham Khatik, and I've been a web developer for three years, one of which was spent developing Shopify themes. I am an expert in Shopify and Shopify 2.0, creating and modifying themes using Liquid and customizer. I create user-friendly and aesthetically pleasing online apps with a solid foundation in **JavaScript, HTML5, CSS3, Bootstrap, React.js, Ajax, and jQuery.** With close attention to detail and a firm grasp of design ideas, I guarantee seamless user experiences. I also have expertise dealing with APIs and skilled in well-known frameworks like React.js.

EXPERIENCE

THE PIXEL EDGE

SHOPIFY DEVELOPER

📅 June 2023 currently working, Nagpur

• Proficient in developing and customizing Shopify themes like Ella, Dawn, Spotlight etc. to create visually appealing, high-converting storefronts.

• Expert in Shopify's Liquid language for dynamic, customizable website features and optimized backend processes to enhance performance and user experience.

• Skilled in setting up and configuring Shopify stores, managing products, payment gateways, shipping and third-party app integrations for seamless operations.

V-MART HINGANGHAT

CO-FOUNDER

📅 SEP 2020 – MAY 2022 (1.9 YEAR)

• Launched and developed VMART, an online grocery business providing door-to-door service.

• Designed and built the e-commerce website from scratch, ensuring a user-friendly interface and seamless shopping experience.

• Managed all aspects of the start-up, including marketing, operations, customer service and logistics.

HNI OFFICE INDIA LTD

Frontend Developer Trainee

📅 AUG 2018 – JUL 2020 (2 YEAR)

• As a Front-end Developer with a solid foundation in HTML, Bootstrap, CSS, JavaScript and jQuery. I have successfully developed responsive and interactive web applications.

• I possess strong debugging skills and a knack for optimizing code to enhance performance. As a collaborative team player, I effectively communicate and contribute to project success.

SAI AMBROSIA COMPUTER

Teacher
